### **CURRICULUM IN A BOX: Teen Challenges and Choices**

Grade Level: 7-12

This multi-faceted curriculum uses videos, color posters and extensive print materials to introduce students to the main challenges and health issues facing today's adolescents. The Teen Challenges and Choices curriculum is divided into three sections: Coping Choices, Sexual Choices, and Risky Behavior Choices. It covers many important topics, such as healthy relationships, anger management, interpersonal skills, and stress reduction strategies. In addition, the curriculum examines teen depression, sexual decision-making, and abstinence. Whether the topic is sexually transmitted infections, dating choices, or emotional stability, the Teen Challenges and Choices curriculum is designed to maintain student interest and encourage new insights.

*Includes:*

10 videos, 3 posters, teacher's resource book, carrying case and CD-ROM with reproducible student activities and fact sheets in pdf format.
