OYS Mission Statement: Across Douglas County, our vision is a **comprehensive, coordinated, and community-wide** approach to **juvenile services** that **eliminates** the need for youth involvement with our justice system while maintaining **public safety**.

For **all youth** who do enter our justice system, our goals are to provide **effective, compassionate and individualized** support that empowers youth and their **families** to **succeed** and to build an environment of **mutual trust and accountability**.

Re-entry Mission Statement:

The mission of OYS Re-Entry is to increase the number of juveniles successfully reintegrated back into schools and the community through coordinated transition support, thereby increasing overall academic success and ultimately reducing recidivism.
